About Us

Phoenix Children's Chorus is proud to be Arizona's premier youth choir. For 40 years we have fulfilled our mission fostering excellence in youth by facilitating artistic, musical, and cultural development through choral education and performance. Each year we serve over 300 choristers in our primary program and engage with over 3,000 children through school workshops and festivals. Since tuition, ticket sales, and performance fees pay for less than 50% of PCC expenses each year, we rely on the generosity of our donors to continue to provide life changing musical experiences for our choristers.

Being in PCC has impacted me in so many ways. It has taught me the importance of music and diversity, to value community, to be consistent, punctual, responsible, and to leave the world better than you found it. I will be forever grateful for all the experiences, opportunities, memories, and amazing people I have met along the way. – Amiah, Class of 2024

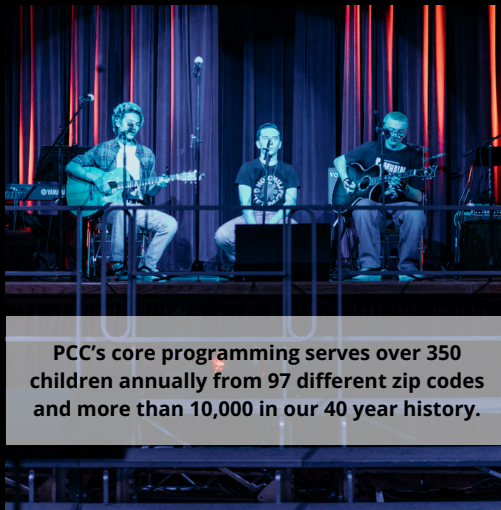

Your Impact

Your sponsorship of the 2026 Rock the Night: British Invasion gala helps provide a high quality music education to a diverse community. With your support, 2026-2027 will be another record-setting year as we expand and deepen our impact as we work with students from throughout Maricopa County and beyond.

30 percent of our choristers receive financial assistance, and tuition covers only 42% of our operating costs.

PCC's core programming serves over 350 children annually from 97 different zip codes and more than 10,000 in our 40 year history.

4000+ kids annually are inspired and educated through school clinics, festivals, and teacher workshops.
