

Dear Friends,

Phoenix Children's Chorus (PCC) will be holding our annual fundraising gala and online auction, "Rock the Night," on April 1, 2023, at Shrine Auditorium and Event Center. This is our organization's biggest fundraiser, and we depend on it to support our mission to provide a comprehensive, world-class choral education — fostering team effort, self-esteem, and self-discipline — to more than 300 children from economically and culturally diverse backgrounds across the valley, in grades K through 12. PCC has been transforming children's lives for the past 38 years by facilitating artistic, musical, and cultural development through choral education and performance. Research has shown that the arts benefit young people by building confidence and poise and challenging their mind and intellect. Children with arts experience earn better grades, perform more community service, and are less likely to drop out of school.

This year more than ever, we are counting on the support of our community partners. Like many arts organizations, we were deeply impacted by the events of the last two years. However, we are proud to share that we have continued to succeed in fulfilling our mission despite the challenges. This year we expanded our impact by opening a third location in the Northwest Valley. Through the support of this event, we hope to be opening even more locations in the near future so that we can do our part in ensuring that all children have access to a quality music education.

Approximately 30 percent of our students receive financial assistance and tuition covers only 42 percent of our annual operating revenue. We hope that you will consider donating a gift, gift card, service, or experience to our gala auction. In return, we will display your company name at our auction, on our website, and on our online auction site. **Sponsorship opportunities are available, and we are always looking for new sponsors!** Phoenix Children's Chorus, a 501c3 non-profit, is supported through grants, corporate donations, and personal contributions. Donations are tax deductible. This event is expected to draw over 500 supporters and participating businesses and over 2,000 online bidders.

Donations can be mailed to: 1202 N. 3rd Street Phoenix, AZ 85004.
